

Elementary Teachers' Federation of Ontario Equity Statement

It is the goal of the Elementary Teachers' Federation of Ontario to work with others to create schools, communities, and a society free from all forms of individual and systemic discrimination. To further this goal, ETFO defines equity as fairness achieved through proactive measures, which results in equality, promotes diversity, and fosters respect and dignity for all.

ETFO's Equity Initiatives

ETFO is a union committed to social justice, equity, and inclusion. The Federation's commitment to these principles is reflected in the initiatives it has established as organizational priorities, such as: ETFO's multi-year strategy on anti-Black racism; two-spirit, lesbian, gay, bisexual, transgender, queer, and questioning education; and addressing First Nations, Métis, and Inuit issues. ETFO establishes its understanding of these issues within an anti-oppressive framework. The Federation ensures its work incorporates the voices and experiences of marginalized communities, addresses individual and systemic inequities, and supports ETFO members as they strive for equity and social justice in their professional and personal lives. Using the anti-oppressive framework is one of the ways that ETFO is operationalizing its Equity Statement.

Definition of an Anti-Oppressive Framework

An anti-oppressive framework is the method and process in which we understand how systems of oppression such as colonialism, racism, sexism, homophobia, transphobia, classism, and ableism can result in individual discriminatory actions and structural/systemic inequalities for certain groups in society. Anti-oppressive practices and goals seek to recognize and dismantle such discriminatory actions and power imbalances. Anti-oppressive practices and this framework should seek to guide the Federation's work with an aim to identify strategies and solutions to deconstruct power and privilege in order to mitigate and address the systemic inequalities that often operate simultaneously and unconsciously at the individual, group, and institutional or union level.
